Suzi,

Thank you for this information. It is useful. We anticipate briefing senior management here in mid to late August and should know more at that time about the direction the Region plans to take and the need for any additional information. In the interim, we'll stay in touch as things progress and may reach out with follow-up questions as we continue to review the information you've provided.

Thanks,  
Corbin

Greetings,

# Ex. 5 Deliberative Process (DP)

Please let Matt and I know if this type of assessment is useful for you. We can certainly provide more details and information if you would like to apply this approach to your EJ analysis.

Please let us know if you have any questions.

Thanks again!  
Suzi
